# LINCOLN

The founders and administrators of Lincoln are true academicians who are committed to helping the students to achieve their potential in the education, research and employment world of this exciting new millennium. They bring together almost fifty years of higher education, post-secondary education and language teaching experience. Their backgrounds include teaching, research and professional training. The main focus of Lincoln University College is student-centred and student-directed. Our philosophy is that everyone has a claim to education to better their life, advance their career and reach their desired level of personal success.

## Recognition
